

## FIRM OVERVIEW

- Fundamentally-driven, value-oriented manager with \$3.6 billion in assets under management and an additional approximately \$635 million in model assets under administration <sup>1</sup>
- Proprietary Price/Intrinsic Value (“P/IV”) methodology developed 30 years ago, utilized with five large cap strategies
- Four portfolio managers collectively average nearly 30 years of industry experience
- Privately owned firm in Louisville, KY; employees hold an 83% equity stake

## INVESTMENT PHILOSOPHY

- Portfolio constructed using the firm’s P/IV philosophy and proprietary Multi-Factor Ranking process
- Identifying higher dividend yielding stocks with attractive valuation and stronger financial profiles, should, over time, provide a portfolio with excellent income and potential growth of income
- Comprehensive, disciplined buy and sell process, with risk controls
- Resulting portfolio will, we believe, have attractive dividend yields and outperform the MSCI ACWI over full market cycles

<sup>1</sup> Assets Under Administration (UMA Assets) are not included in Assets Under Management as Todd Asset Management does not have discretion over the accounts, nor does Todd Asset Management arrange for or effect the purchase or sale of model securities for the client.

<sup>2</sup> Data Source: Todd Asset Management, Bloomberg and MSCI Barra. Strategy data presented is based on a representative portfolio having no client-provided restrictions, and is supplemental information to the Composite. Investors should not construe performance of any example as predictive of future results. Accuracy of Index weights derived from third party sources can not be guaranteed and are subject to change. In accordance with MSCI GICS categories, benchmark sector weightings are compiled by TAM based on each stocks' weight of the index noted as of the stated period. Benchmark country/region weightings are compiled according to country of domicile by TAM based each stocks' weight of the index as of the stated period. See performance disclosure for additional information.

### <sup>3</sup> Global Intrinsic Value Equity Income Performance Disclosure

Past performance does not provide any guarantee of future performance, and one should not rely on the composite or any security's performance as an indication of future performance. Investment return and principal value of an investment will fluctuate so that the value of the account may be worth more or less than the original invested cost.

Specific stocks discussed in this presentation are included to help demonstrate the investment process or as a review of the Composite's quarterly results and are not and were not recommendations for purchase or sale by investors. All or some of the specific stocks mentioned may have been purchased or sold by accounts within the Composite during the period, or since the period, and may be purchased or sold in the future. A complete listing of the holdings as of the period end is available upon request.

Todd Asset Management LLC ("TAM") is a registered investment adviser. The performance presented represents a composite of fully discretionary accounts invested in a diversified portfolio of attractively valued domestic and international equity securities with a goal to seek dividend income along with growth of that income and capital appreciation. The international securities are internationally domiciled, US traded equity securities.

Todd Asset Management LLC, formerly Todd-Veredus Asset Management LLC began operations on June 1, 1998 as Veredus Asset Management LLC (VAM). Effective May 1, 2009, VAM combined with Todd Investment Advisors, Inc. (TIA). TIA (and its predecessors) was founded in 1967 by Bosworth M. Todd. Upon the combination of VAM and TIA in 2009, Veredus Asset Management LLC changed its name to Todd-Veredus Asset Management LLC (TVAM). On February 28, 2013, after a change in ownership involving some VAM unitholders, TVAM changed its name to Todd Asset Management LLC. The firm continues to offer the same strategies managed by individuals using the process founded under TIA.

The Global Intrinsic Value Equity Income Composite contains fully discretionary, taxable, and tax-exempt accounts that use the MSCI ACWI (Gross) Index as the benchmark. The Composite does not include accounts with social restrictions. All fee-paying, fully discretionary portfolios under our management are included in a composite. Accounts are eligible for inclusion in the composite at the beginning of the first calendar quarter after the month of initial funding and upon being fully invested.

TAM claims compliance with the Global Investment Performance Standards (GIPS®). The Firm has been verified for the period January 1, 2008 through March 31, 2017 by Ashland Partners & Company LLP and for the period July 1, 1989 through December 31, 2007 by a previous verifier. TIA's compliance with the GIPS® standards has been verified for the period January 1, 1993 through April 30, 2009 by Ashland Partners & Company LLP. In addition, a performance examination was conducted on the Global Intrinsic Value Equity Income Composite for the period January 1, 2011 through March 31, 2017. To receive a complete list and description of TAM composites and/or a full disclosure presentation which complies with the GIPS® standards, please contact TAM at 1-888-544-8633, or write Todd Asset Management LLC, 101 South Fifth Street, Suite 3100, Louisville, Kentucky 40202, or contact us through our Web site at [www.toddasset.com](http://www.toddasset.com).

The performance information is presented on a trade date basis, both gross and net of management fees, net of transaction costs and includes the reinvestment of all income. Net of fee performance was calculated using the applicable annual management fee schedule of 0.60% applied monthly. Actual investment advisory fees incurred by clients may vary. The currency used to calculate and express performance is U.S. dollars. All cash reserves and equivalents have been included in the performance.

The composite performance has been compared to the following benchmark. The index is unmanaged, and not available for direct investment; it includes reinvestment of dividends; it does not reflect management fees or transaction costs: **MSCI ACWI (Gross) Index** is a float-adjusted market capitalization index that is designed to measure the equity market performance of developed and emerging markets.
